## CIMIC'S LEIGHTON ASIA SECURES FURTHER DATA CENTRE PROJECT IN INDIA

CIMIC Group company Leighton Asia has been awarded a contract to construct a data centre in Hyderabad, India, by a multinational technology corporation.

The project is the second awarded to Leighton Asia by this major client. "As a global leader in infrastructure, we're bringing major data centre campuses to India in advancing the digital future, is deepening our commitment to the region."

Leighton Asia Managing Director Brad Davey said: "Securing this contract demonstrates our core expertise in delivering complex projects. We will be working again with our key customer to deliver this project."

This project has a target for an Indian Green Building Council (IGBC) Green Building Environmental Design (LEED) Gold certification.

Construction will be completed in Q4 2026.
