

Turner Joint Venture Reaches Milestone on \$185 Million Texas A&M-Fort Worth Project

Topping out marks progress on the Law and Education Building, supporting the University's professional programs.

December 12, 2024 – Turner Construction Company, in collaboration with joint venture partners CARCON Industries and Source Building Group, celebrated the topping-out of the Law and Education Building at Texas A&M-Fort Worth. The topping-out marks the completion of vertical construction.

The eight-story, 238,000-square-foot facility will house professional programs, including Texas A&M University, Tarleton State University, the Texas A&M School of Law, Texas A&M engineering, agriculture, emergency management and health sciences. As the first phase of a multi-phase project to develop the Texas A&M University

a new home for the award-winning Texas A&M School of Architecture, supporting economic growth and preparing students to meet modern professional challenges. The project is scheduled for completion in 2026.
